

# Rock and Roll Madonna

## Elton John

If anyone should see me making it down the highway  
Breaking all the laws of the land  
Well don't you try to stop me  
I'm going her way

And that's the way I'm sure she had it plannedWell that's my Rock-and-roll Madonna  
She's always been a lady of the road

Well everybody wants her  
But no one ever gets her

Well the freeway is the only way she knowsWell if she would only slow down for a short time  
I'd get to know her just before she leaves  
But she's got some fascination for that two wheel combination  
And I swear it's going to be the death of me
