

Admit That You're Gay (Parody of Bad Day)

BS (A. Whiteman)

0:06 Its time to open the closet doors
Finally say what everyone knows
Stop with all the dirty looks
With the girls you didnt have what it took
Purple font is what you use Brag about chicks like it didnt happen
Poking guys in public bathrooms
Rumors are rumors til theyre true
Shouldnt get pissed if it aint about you
Come on and join the parade Admit that youre gay
That you like guys
That you like gettin dick in your mouth
You dont read playboy
Just playin with men
Do us a favor and say youre a fag
Admit that youre gay
That you like dudes
That you like gettin slammed where you poo
Admit that youre gay
Admit that youre gay Go ahead and smile like a queer
We all know you like it in the rear
Bath houses here you come Admit that youre gay
That you like guys
That you like gettin dick in your mouth
You dont read playboy
Just playin with men
Do us a favor and say youre a fag
Admit that youre gay
That you like dudes
That you like gettin slammed where you poo
Admit that youre gay (Oh GAY...) I know youre scared were only gonna go and start tease you more!
But weve been rippin you behind your back so long We dont even care!
Say you love men So open up those closet doors
And put on
Your liberace and move to Frisco! Admit that youre gay
That you like guys
That you like gettin dick in your mouth
You dont read playboy
Just playin with men
Do us a favor and say youre a fag

Admit that youre gay
That you like dudes
That you like gettin slammed where you poo
Admit that youre gay
Admit that youre gay Admit that youre gay
Admit that youre gay
Admit that youre gay
Admit that youre gay
Admit that youre gay
Admit that youre gay
