

Chamakay

Blood Orange

If given life lonely
If given what's my fret
I'd keep it for the all teams
I keep it'
But not if you run empty I try my best to stay
I'm leaving with your feelings
I'll leave you in your eyes
Oh, oh

I'm nothing if not certain
How they got its best
Hart of the chest
I'll never leave you if you're thinking that it's all the same
I'll never trust you if you're thinking that it's just a game
I see you're in it for a girl like me to come alone
I'll never leave you if you're thinking that it's all the same
I'll never trust you if you're thinking that it's just a game
I see you're in it for a girl like me to come alone

More and more

If given life lonely
If given what's my fret
I'd keep it for the all teams
I keep it'
But not if you run empty I try my best to stay
I'm leaving with your feelings
I'll leave you in your eyes
Oh, oh
I'm nothing if not certain
How they got its best
Hart of the chest
I'll never leave you if you're thinking that it's all the same
I'll never trust you if you're thinking that it's just a game
I see you're in it for a girl like me to come alone
I'll never leave you if you're thinking that it's all the same
I'll never trust you if you're thinking that it's just a game
I see you're in it for a girl like me to come alone
