

Hang 'Em High

Havok

Treasonous
Unable to uphold an oath that they swore to us
Traitors
Selling us down the river to the big business
Greed
They get richer while their policies ruin the lives of millions
Criminal
I think it's time for justice to be servedThe enemy is not coming from overseas
The enemy is not coming from overseas
The enemy is not coming from overseasHang 'em high
Hang 'em high
Liars
They promise the world and never follow through
Betrayers
Turning their backs on the people that gave them power
Disgrace
Is what they bring to the idea of democracy
Punishment
I think it's time they get what they deserveThe enemy is not coming from overseas
The enemy is not coming from overseas
The enemy is not coming from overseasHang 'em high
Hang 'em highSelling out
To the highest bidder
So spineless
So low
Politicians and big business
The united snakes of America
Criminal
I think it's time for justice to be served
Punishment
I think it's time they get what they deserveThe enemy is not coming from overseas
The enemy is not coming from overseas
The enemy is not coming from overseas
The enemy is not coming from overseas
The enemy is not coming from overseas
The enemy is not coming from overseasHang 'em high
Hang 'em high
