

Throw This Away

Nine Inch Nails

i want you to take me
i want you to take me
i want you to break me
and i want you throw me away
i want you to take me
i want you to take me
i want you to break me
and i want you throw me away
i want you to take me
i want you to take me
i want you to break me
and i want you throw me away
i want you to take me
i want you to take me
i want you to break me
and i want you throw me away
