Straight From The Heart

Earth, Wind And Fire

[Mike Muir / Mike Clark / Dean Pleasants]Coming straight from the heart!
I got Sui pride flowing through my veins
That's the shit that makes you immune to pain
No matter how much crap you take day after day
It's never too much if you're living the Sui way
Coming straight from the heart!
I'm Suicidal, yea Suicidal!
I'm Suicidal, yea Suicidal!
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
I'm Suicidal!
I'm Suicidal!
I'm Suicidal!
I got some crazy thoughts screaming in my head
If I wasn't Suicidal, then I'd be dead
It's hard to hold back all the crazy shit that's inside
But I'm powered by my Suicidal pride
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
I got that Sui pride...
High on that Sui pride...
I got that Sui pride...
Riding that Sui pride...
Coming straight from the heart!
I'm Suicidal, yea Suicidal!
I'm Suicidal, yea Suicidal!
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!

I'm Suicidal!
I'm Suicidal!

I'm Suicidal!
I'm Suicidal!
Ha ha ha ha ha...
Check your head, watch your back, define your enemy
Cause I'm gonna getcha, getcha, getcha, just you wait and see
What it is, what it ain't, and what it's gonna be?
Cannot be stopped by your confused fucking reality
Hold the lies, heal the pain, and that's just the start
I'm coming, coming, coming, straight from the heart
Stand up tall, head up high, yea, you got that right
Cause I'm Suicidal motherfucker every day and night
I got that Sui pride...
High on that Sui pride...
I got that Sui pride...
Riding that Sui pride...
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
Straight from, straight from, straight from the heart!
Straight from, straight from, straight from the heart!
I'm Suicidal!
Straight from, straight from, straight from the heart!
Suicidal!
Straight from, straight from, straight from the heart!
Suicidal!
Straight from, straight from, straight from the heart!
Suicidal!
Straight from, straight from, straight from the heart!
Coming straight from the heart!
I'm Suicidal, yea Suicidal!
I'm Suicidal, yea Suicidal!
Coming straight from the heart!
I'm Suicidal, yea Suicidal!
I'm Suicidal, yea Suicidal!
Coming straight from the heart!
I'm Suicidal, yea Suicidal!
I'm Suicidal, yea Suicidal!
Coming straight from the heart!
I'm Suicidal, yea Suicidal!
I'm Suicidal, yea Suicidal!
Coming straight from the heart!
