(Love Is Like A) Heatwave

Phil Collins

Whenever I'm with her
Well, something inside
Starts to burnin'
And I'm filled with desireCould it be the devil in me
Or is this the way love's supposed to be?It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)
It's tearing me apartWhenever she calls my name
Whose soft flow, sweet, and plain
I feel, I feel
Feel that burning flameHas high blood pressure got a hold on me
Or is this the way love's supposed to be?It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)
It's tearing me apartHeatwave
HeatwaveSometimes I stare in space
Tears all over my face
Can't explain it, don't understand it
I ain't never felt like this beforeWell, that funny feeling has me amazed
Don't know what to do, my head's in a hazeJust like a heatwave
Yeah, yeah, yeah, yeahOoh, you're in love, girl
Yes, this is the love girl
Ooh, girl, get it, girl
Ooh, you know this is love, girl(Ain't nothin' but love, girl)
Don't pass up this chance
It could be true romance
HeatwaveYeah, yeah, yeah, yeah
Burning, burning, burning
Burning, burning, burning
Burning, burning, burning
