Hold It In

Jukebox the Ghost

Jump into that water and see for yourself
Take a deep breath and hold it in, hold it in
She's got a secret and she wants to tell
But I made a promise to hold it in, hold it inBaby, I'm in love and maybe it's not to tell
Only thing that I can do is hold it in, hold it in
I was told that I'm a man now and I'm not allowed to cry
The only thing that I can do is hold it in, hold it in, hahBut life is oh my God, if I tell him, he'll tell her
And then she will know I like her
Good grief, I don't think that I can take this heartbreak
Any longer, I will not hold it in, hoo, hoo, hooWell, the couple with the baby and it's no secret why
Neither one was able to hold it in, hold it in
Kids in the streets, yeah, they're all getting high
Everybody's screaming, "Hold it in, hold it in", ha, heyBut life is oh my God, if I tell him, he'll tell her
And then she will know I like her
Good grief, I don't think that I can take this heartbreak
Any longer, I will not hold it in, hooIf there's a God, He's embarrassed and it's no secret why
The only thing that He can do is hold it in, hold it in
So I printed him a letter to be sent out to sea
I'm looking for a bottle to hold it in, hold it in, haBut life is oh my God, if I tell him, he'll tell her
And then she will know I like her
Good grief, I don't think that I can take this heartbreak
Any longer, I will not hold it in, hoo
