Sunrise (Rob Mayth Mix)

Angel City

Talk to me what are you doing what are you
Thinking right now set me free I'm just a prisoner
To you and time goes by I'm still waiting forever
And a day boy I thought I saw you yesterday
I thought those words I herd you sayWhen I look at the sunrise sunlight, nothing
Feels awake when your living this feeling
Don't ever let me go when I look at the
Starlight it feels right your bodies on my mind ill set
You free, I'll set you freeLook at me what are you thinking tell me what your
Seeing let me go if there's nothing youBelieve
An time goes by I'm still waiting
Forever and a day boy I thought I saw you yesterday
