

# Cross to Bear

## Staind

Twisted, turning, crashing, burning  
All this just to break me down You don't know me, you don't see me  
You don't know me because I don't care  
But I'm still here, patiently waiting for you to disappear  
Is this my cross to bear? Faceless, faking, pressure, taking  
All this just to bring me down You don't know me, you don't see me  
You don't know me because I don't care  
But I'm still here, patiently waiting for you to disappear  
Is this my cross to bear? You don't know me  
You don't know me because I don't care  
But I'm still here, patiently waiting for you to disappear  
Is this my cross to bear? I'm still here, reluctantly waiting for you to interfere  
Is this my cross to bear?
