

I'm The Fool

SoundGirl

I never thought I'd be the one
To be the raging bull
There'd always be a smoking gun
Who'd up and lose his cool
I never thought I'd have to say
I'm sorry, my love, because
I'm the fool, I never
Fool, I never thought I was
I left my dreams with broken strings
It's time I learnt to talk
Stop falling over things
Teach myself to walk
I'm not a Superman
Or Mr. Wonderful, because
I'm the fool, I never
Fool, I never thought I was
I'm the know it all
Trying to mend his broken heart
But I, I don't know who to call
And I don't know where to start
Now if you should lose your faith in me
I don't know where I'd run
I hope you'll always let me be
Your only one
Am I your one true love
Or am I too late for your applause
I'm the fool, I never
Fool, I never thought I was
Darling, I'm the fool, I never
Fool, I never thought I was
