

# Not Enough

Roger Sanchez feat. Lisa Pure

To give back time  
You force too much  
It's always too much  
But not enough  
So much for here and now  
It's all the same now  
I wish everything would change  
You can't believe a word he says  
You can't believe  
I know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're begging for more  
And it's not enough  
Yeah  
It's all they know  
And really believe in  
He gives you a reason  
To take it slow  
So much for the here and now  
It's all the same now  
But I wish everything would change  
You can't believe a word he says  
You can't believe  
  
I know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're beggin for more  
And it's not enough  
Ye-yeah  
I know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're begging for more  
I know you've been lost

You said it before  
Say it again now  
I know you've been lost  
You're beggin for more  
(I know you've been lost)  
(You're begging for more)  
I know that you've been lost  
(I know you've been lost)  
(You're beggin for more)  
Why you beggin please for more  
I know that you've been lost  
(I know you've been lost)  
And it's not enough  
And it's never gonna be
