

# Let Go My Eggo

## Biz Markie

Ahhh-yew-whayaeuwww  
Now it-it-it-it-it-it sound funky  
Yo doc, i'ma count it on three  
One, two, three Well I'm not a qualuudes or a halucinogen  
I'm just comin up with rhymes that I invent  
Out of my head, or like on the spot  
And uhh, whether you know it or whether you not  
? ? we did the mudfoot in your town  
I-i'm super-educated, ready to get down  
Just check out what the heck I got to say  
It's not the same ol', rhythm and rap cliché  
Markie the king of a rec, I rock and put you in check  
Hypnotizin recognizin plus I get respect  
And if you think you can, mess with the magical man  
I rock the mic do what I like and plus I got a plan  
So don't be missin don't be listenin to the format  
Determined like a german like a head is to a hat  
That's why I qualify, as the better mc  
I never treat people like they were fleas  
But if you think that I got a big head though  
Ehhhh ahahhhhhh! let go my emehamahmmm eggo {cool v cuts "i'm the bizmarkie, yo known for beatbox and  
the rap and.."}  
Let go my mmm ah mmm uh uh eggo!  
{cool v cuts again}  
Let go my mm mm mm mm eggo!  
{cool v cuts again}  
Now bust this out Well well well well you know it's me  
The mudfoot, yeah the diabolical b  
I-z-abba-zee-mm-a-rrrah, I'm a superstarrah  
Always rap on mines, so I don't have to bother  
I just come up out with somethin g like  
Other mc's thinkin, I'm on the mic  
Super, duper, mc party pooper  
A tick-tock to the roc the mic and I recoup-ah  
Rate and I am great, my dj is a-ight  
If he say rock it to the rhythm, well rhymes I be writin  
Bmv studios, didn't you know  
My d-o-c is down and jidoe  
I sing, on record, I get respected never neglected

Well protected edu-i-do you know that i'm  
 The, oh-riginal b, i-z-m-a-r, k-i with e  
 And if you think it's me, no, I think it's the  
 C-double-o-l v, and my man d-o-c  
 I get with big e, I zugga zagga zee  
 I'm backwards other mc know what this mean  
 Hellafied king, I do my own thing  
 Make the microphone sing, and you know that I bring  
 And everytime I rock, I don't got a big head though  
 Forget that! let go my mm-ah-ehrm-mmah eggo!{cool v cuts "i'm the bizmarkie, yo known for beatbox and  
 the rap and.."}  
 Let go my mmm ah mmm uhh eggo!  
 {cool v cuts again}  
 Let go my mm uh mm uh eggo..  
 {cool v cuts again}  
 Let go my mah-uhh umm-uhh eggo!  
 {cool v cuts again}Now a lot of like people wanna know about me  
 The original diabolical energetical  
 B-i-z-mmmahhhzayy-rrah superstarrah of rap  
 And it don't matter to me, I'll make your hands clap  
 Best in zing, the man appointed rap king  
 Down to wreck your body, I make the 'phone sing  
 That's why I say zzznoahh, mc shower  
 Hey, in junior high school I say shenandoah  
 And, bedknocks and broomsticks  
 With my dj cool v, that is on the mix  
 I do it out of my head-n, from hear to homestead'n  
 Or even belleport cause it is my sport{cool v cuts "i'm the bizmarkie, yo known for beatbox and the rap and.."}  
 {cool v cuts again}  
 {cool v cuts again}  
 {cool v cuts "i'm the biz" over and over}  
 {cool v cuts "i'm the bizmarkie, yo known for beatbox and the rap and.."}  
 {cool v cuts again to fade}
