

# You're Just In Love (feat. Judy Garland)

## Bing Crosby

I hear singing and there's no one there  
I smell blossoms and the trees are bare  
All day long I seem to walk on air  
I wonder why, I wonder why I keep tossing in my sleep at night  
And what's more I've lost my appetite  
Stars that used to twinkle in the skies  
Are twinkling in my eyes, I wonder why You don't need analyzing  
It is not so surprising  
That you feel very strange but nice  
Your heart goes pitter patter  
I know just what's the matter  
Because I've been there once or twice Put your head on my shoulder  
You need someone who's older  
A rub down with a velvet glove  
There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love I hear singing and there's no one there  
You don't need analyzing, it is not so surprising  
I smell blossoms and the trees are bare  
That you feel very strange but nice  
All day long I seem to walk on air  
Your heart goes pitter patter, I know just what's the matter  
I wonder why, I wonder why  
Because I've been there once or twice I keep tossing in my sleep at night  
Put your head on my shoulder, you need someone who's older  
And what's more I've lost my appetite  
A rub down with a velvet glove  
Stars that used to twinkle in the skies  
There is nothing you can take  
Are twinkling in my eyes  
To relieve that pleasant ache  
I wonder why  
You're not sick you're just in love
