

Weekend Warriors (Acoustic)

A Change of Pace

Weekends are for the warriors
All those late nights walkin' through front doors at daybreak
Raise all of the glasses high
This one's to all of us sittin' around here on Friday night
I remember eighteen hated Mondays
And sittin' and starin' at the clock dyin' to get away
Don't look back and have no regrets
We only got two days and time won't wait for us
I couldn't ask for a better place to be
This can't last forever
Raise a glass together
Doesn't get much better
No better than
This can't last forever
Raise a glass together
Doesn't get much better
No better than this
I've been to hell and back
All the snow storms
And the bathroom stalls
Which you pulled me out of
I'll be there
Like you've been there
My word's my bond
Don't stand alone, you can count on me
I couldn't ask for a better place to be
This can't last forever
Raise a glass together
Doesn't get much better
No better than
This can't last forever
Raise a glass together
Doesn't get much better
No better than this
We fight this fight to stay free
And never say, never
If you leave this choice up to me
I'll stay young forever
(Stay young)
This can't last forever
Raise a glass together
Doesn't get much better
No better than
This can't last forever
Raise a glass together
Doesn't get much better
No better than
This can't last forever
Raise a glass together
Doesn't get much better
No better than
This can't last forever
Raise a glass together

Doesn't get much better
No better than This can't last forever
Raise a glass together
Doesn't get much better
No better than This can't last forever
Raise a glass together
Doesn't get much better
No better than this Weekends are for the warriors
