Someday

Alan Jackson

She looked me in the eye and said, "It's over
I can't take this heartache anymore"
She said, "Don't tell me lies and try to please me
I've heard it all so many times before"And I took her by the arm and said, "Don't leave me
There's nothin' in this world I wouldn't do
Just give me time, I'll be the man you've needed"
She said, "I wish that I could take that for the truth"And I said, "Someday, I'll get my life straight"
And she said, "It's too late, what's done is done"
And I told her "Someday", she said, "I can't wait"
'Cause sometimes someday just never comesShe said, "All I've ever wanted was to love you
And somewhere deep inside me I still do
But now I think it's time I stopped believin'
'Cause I'm never gonna see a change in you"And I said, "Someday, I'll get my life straight"
And she said, "It's too late, what's done is done"
And I told her "Someday", she said, "I can't wait"
'Cause sometimes someday just never comes
'Cause sometimes someday just never comes
