

Running With The Wolves (Pablo Nouvelle Remix)

Aurora

Go row the boat to safer grounds
But don't you know we're stronger now
My heart still beats and my skin still feels
My lungs still breathe, my mind still fears
But we're running out of time (time)
For the echo's in my mind, cry There's blood on your lies
Disguise opened wide
There is nowhere for you to hide
The hunter's moon is shining I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the Trick or treat, what would it be?
I walk alone, I'm everything
My ears can hear and my mouth can speak
My spirit talks, I know my soul believes But we're running out of time (time)
For the echo's in my mind, cry There's blood on your lies
Disguise opened wide
There is nowhere for you to hide
The hunter's moon is shining I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves It can cause betrayal it hurts
I can't be dreaming
The night deceives us,
A million voices inside my dreams
My heart is left so incomplete I'm running with the wolves
I'm running with the wolves
I'm running with the
I'm running with the
I'm running with the
I'm running with the wolves I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves I'm running with the wolves tonight

I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
