## Audience of One

Be honest, I'd really like to  
But I know that it would hurt you and I can't  
Be honest, I'd really like to  
But I know and I can't  
Be honest, I'd really like to  
But I know that it would hurt you and I can't  
Be honest, I'd really like to  
But I know that it would hurt you and I can't

It breaks my heart  
Smile  
It breaks my heart  
It breaks my heart to see you smile  
It breaks my heart  
It breaks my heart  
It breaks my heart to see you smile  
Be honest, I'd really like to  
But I know that it would hurt you and I can't  
Be honest, I'd really like to  
But I know that it would hurt you and I can't  
Be honest, I'd really like to  
But I know that it would hurt you and I can't  
It breaks my heart  
It breaks my heart to see you smile  
It breaks my heart  
It breaks my heart to see you smile at me, yea  
It's your fault and  
You lie to see my heart
