

Do You Wanna Rock And Roll?

Les Humphries Singers

Do you wanna rock 'n' roll

...

Hum

do you wanna rock 'n' roll . . . Do you wanna rock 'n' roll Let me try to satisfy your soul

Rock 'n' roll band playin' all night long

And rock 'n' roll music still is going strong. Hum do you wanna

oo do you wanna . . .

We're gonna rock rock rock rock rock rock 'n' roll. Do you wanna rock 'n' roll Hear the music play and
you'll want more

Sneakers and jeans are all you need to wear

Then reet a petit you'll leap up in the air. Do you wanna rock 'n' roll

. . . Do you wanna rock 'n' roll Let your feet begin to lose control

Rhythm and blues and soul that can't be bad.

But rock 'n' roll music seems to drive you mad. Do you wanna rock 'n' roll
