

# Love Is Gone

Stix

What are we supposed to do  
After all that we've been through  
When everything that felt so right is wrong

Now that the love is gone  
There is nothing left to prove  
Now you still deny this simple truth  
Can't find the reason to keep moving on

Now that the love is gone  
There is nothing left to prove  
Now you still deny this simple truth  
Can't find the reason to keep holding on

Now that the love is gone

Love is gone

Love is gone

Love is gone

Love is gone

(Feels so right time)

Love is gone

(Feels so right time)

(Got to find a reason)

What are we supposed to do  
After all that we've been through  
When everything that felt so right is wrong

Now that the love is gone  
There is nothing left to prove  
Now you still deny this simple truth  
Can't find the reason to keep holding on

Now that the love is gone

(Love is gone)

What are we supposed to do  
After all that we've been through  
When everything that felt so right is wrong

Now that the love is gone  
There is nothing left to prove  
Now you still deny this simple truth  
Can't find the reason to keep holding on

Now that the love is gone

Love is gone

Love is gone

Love is gone  
(Got to find a reason)  
Got to find a reason  
Got to find a reason  
Got to find a reason  
Got to find a reason  
Got to find a reason  
Got to find a reason  
Got to find a reason to hold on  
(Love is gone)
