

Run

Dropbox

Well, on my way
I smell the rain rumblings of a storm
Cowards will run, the war child will fight
Bring the world to its kneesHow will I know?
(Where will we go?)
Where will we go from here?
Ill tell you its not what you dream about at
Night aloneAnd I runTendin' the wounds, Im livin' the truth
Strength of a new found world
An' through it all the last man tall
Bled for a word called freeHow will I know?
(Where will we go?)
Where will we go from here?
Ill tell you its not what you dream about at
Night aloneAnd I run, and I run, and I run, and I run
And I run, and I run, and I runAnd I run, and I run, and I run
And I run, and I run, and I run
