

# I 2 I

## Tevin Campbell

I got myself a notion, one I know that you'll understand  
To set the world in motion by reaching out for each other's hand  
Maybe we'll discover what we should have known all along  
One way or another together's where we both belong  
If we listen to each other's heart  
We'll find we're never too far apart  
And maybe love is the reason why  
For the first time ever we're seeing it eye to eye  
If a wall should come between us to high to climb, to hard to break through  
I know that love will lead us and find a way to bring me to you  
So don't be in a hurry, think before you count us out  
You don't have to worry, I won't ever let you down  
If we listen to each other's heart  
We'll find we're never too far apart  
And maybe love is the reason why  
For the first time ever we're seeing it eye to eye  
If you're ever lonely, stop, you don't have to be  
After all is stolen, I'll beat a way from you to me  
Take a look inside and see  
(Yeah)  
If we listen to each other's heart  
We'll find we're never too far apart  
And maybe love is the reason why  
For the first time ever we're seeing it eye to eye
