

# Angel On My Shoulder (dBerrie Bootleg)

## Kaskade

It's time you see  
The love you give, is killing me  
And I wanna live  
This isn't right, search your soul for lightSo I turned and left  
I told myself, I could be  
As bad as someone else  
But I find it hard  
When an angel's on my rightBut you held my hand  
You took me right back down to hell  
I have an angel on my shoulder  
But a devil in my headBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my headWon't you go, no means no  
Your dirty life is like a one man show  
Your a [Incomprehensible] you turn the light to begSo I turned and left  
I told myself, I could be  
As bad as someone else  
But I find it hard  
When angel's on the rightBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my headBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my headTalk to me, walk with me  
Come with me beautiful lady  
Beautiful lady  
Will you come and save me?  
Come to me  
(Come back here)  
Walk with me  
(Come back here)But you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my head  
(Come back here)But you held my hand  
And took me right back down to hell  
I have an angel on my shoulder

But a devil in my head  
(Come back here, come back here)
