

Moon Walk

Gucci Mane & Figg Panamera

Wop, it's Gucci
Mike Will, burr burr, burr burr Moon walk
Beat that pussy up so good
Man, I make that bitch moon walk
Slidin' up and down that wood
Shoulda seen that hoe moon walk
Screamin' out, "Daddy, you so good"
Watchin' you gettin' to it
Cause you's a freak, and I knew it
Fuckin' it backwards and forwards and sideways (hee, hee)
That pussy be sore for like five days (hee, hee)
Oh, moon walk
Beat that pussy up so good
Man, I made that bitch moon walk
Moon walk
Gucci Mane's a smooth criminal
Billy Jean is not my lover
But I'm so motherfuckin' hot
I got Elvis Presley's precious daughter
You can be my baby
It don't matter if you're black or yellow
Balmain jeans and matchin' sweaters
Moon walkin' in Maison Margielas
King of Pop, come rock with me
Show you who bad, I beat it, beat it
Taking all kind of prescription pills
Like Michael Jack, I'm super kinky
Super freaky, gangster geechie
Gucci give you that gangster love
Diamonds dancin' on my pinky
Like it's Michael Jackson's glove
Like Janet Jackson, scream for me
Like Joe Jackson, I'll slap ya up
I'm dangerous, I'm off the wall
It's Thriller when I'm in the club
Beat that pussy so good
That she use the same ad-libs Michael does (hee-hee)
Now turn around and back it up
Moon, moon walk

Beat that pussy up so good
Man, I make that bitch moon walk
Slidin' up and down that pole
Look at that girl moon walk
You screamin' "Oh, baby, you so good"
And I'm watchin' you gettin' to it
You a freak, and I knew it
Backwards and forwards and sideways (hee, hee)
That pussy be sore for like five days (hee, hee)
Moon walk
Beat that pussy up so good
Man, I made that bitch moon walk
Moon walkCaucasian women, Black women
Spanish, Russian, Asian women
Fall out when I touch their hand
They rush the stage like Michael did it
Live my life like Michael Jackson
Made more stars than Michael Bivins
Like Michael Jordan, livin' legend
I'm the best that ever did it
White diamonds, Elizabeth Taylor
White folks money crazy paper
Vegas mansion, Cali ranches
Monkeys, tigers, zebras, pandas
Giraffes and panthers, I'm so handsome
On stage with a hundred dancers
I got so much fuckin' money
I could buy one hundred Phantoms
I'm Jackson 5, but Gucci dolo
I'm so dope, I'm goin' solo
I'm so high, might pull a no-show
So leaned out, need take a lodo
That's your hoe but she a thot though
She just moon walked through the door though
I'm the Wiz and you the Skep
This ain't Motown but I want some more doughMoon walk
Beat that pussy up so good
Man, I make that bitch moon walk
Slidin' up and down that wood
Shoulda seen that hoe moon walk
Screamin' out, "Daddy, you so good"
Watchin' you gettin' to it
Cause you's a freak, and I knew it
Backwards and forwards and sideways (hee, hee)
That pussy be sore for like five days (hee, hee)

Moon walk
Beat that pussy up so good
Man, I made that bitch moon walk
Moon walkHa!
