

Replica (Electric Sheep mix)

Fear Factory

There is no love
I am a duplication
Innocently
I was conceived
So violently
There was no love
There was no love for me
There was only hatred I am rape
I am hate
I am rape
I am hate Every day I feel anonymous hate
Forever in the shadow of disgrace I am rape
I am hate
I am rape
I am hate Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery I don't want to live that way
I don't want to live that way There is no love Every day I feel anonymous hate
Forever in the shadow of disgrace I am rape
I am hate
I am rape
I am hate Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery I am so filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery I don't want to live that way
I don't want to live that way I am so filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery Spare me from the
Life that's full of pain
Spare me from the
Life that's full of pain I don't want to live that way
I don't want to live that way
