

Boys (Grinehouse Remix)

Ashlee Simpson

Some say I make the guys, hypnotized
When I bat my eyes and walk by
They say I'm such a tease
But that's just me
Take it or leave it baby Don't mean to impose boy ill let you know
You're hearing me sayin'
I'm sayin' no
I'm not one of those girls that you think you know
You can talk that talk listen Boys boys boys they gimme gimme they gimme
They follow my voice
Boys boys they gimme gimme they gimme Some say that I always insinuate
I can get my way, so true
Because my kiss is like, kryptonite
I can make em weak I'm so cruel Don't mean to impose boy I'll let you know
You're hearing me say yes
I'm saying no
But you'll never get the best of me
Cause I get what I want and I know what I need Boys boys boys they gimme gimme they gimme
They follow my voice
Boys boys they gimme gimme they gimme Use your head but not that one
One track mind, one track mind, one track mind
Use your head but not that one
One track mind, one track mind, one track mind Don't mean to impose boy ill let you know
You're hearing my say yes
I'm saying no
But you'll never get the best of me
Cause I get what I want and I know what I need Boys boys boys they gimme gimme they gimme
They follow my voice
Boys boys they gimme gimme they gimme Boys boys boys they gimme gimme they gimme
They follow my voice
Boys boys they gimme gimme they gimme Boys, boys
Boys, boys Boys, boys
