

# I Wished on the Moon

## Solitaire Miles

I wished on the moon, for something I never knew  
I wished on the moon, for more than I ever knew  
A sweeter rose, a softer sky  
On April days that would not dance away I wished on the stars to throw me a beam or two  
I begged of a stars and asked for a dream or two  
I looked for every loveliness, it all came true  
I wished on the moon for you I wished on the moon, for something I never knew  
I wished on the moon, for more than I ever knew  
A sweeter rose, a softer sky  
On April days that would not dance away I wished on a stars to throw me a beam or two  
I begged of a stars and asked for a dream or two  
I looked for every loveliness, it all came true  
I wished on the moon, wished on the moon for you  
I wished on the moon for you
