

# I Need A Friend Tonight

Charlie Simpson

I've been walking down these streets alone  
24 years of mindless games, I still can't find home  
And I've been trying to find Jesus  
He's the only one who could save me from myself

And oh my lord, I need a friend tonight  
Oh my lord, I need someone to help me through  
Oh my lord, I need a friend, tonight

I'm so sick and tired of all this bullshit politics  
I don't know if I'm coming or going, it's hard to get hold of my wits  
I don't remember your face, the rain is about to freeze  
Clouds in the sky drawing on me, it's pulling me down to my knees

And oh my lord, I need a friend tonight  
Oh my lord, I need someone to help me through  
Oh my lord, I need a friend, tonight

On you, I don't wanna take it all from you  
'Cause now I don't need it  
It's on you, but I don't wanna take it all from you  
'Cause now I don't need it

Oh my love, I don't want anything  
Oh my love, I don't need anything  
Oh my love, I don't want anything from you now

Oh my love, I don't want anything  
Oh my love, I don't need anything  
Oh my love, I don't want anything from you now

Oh my love, I need a friend tonight  
Oh my love, I need someone to help me through  
Oh my love, I need a friend tonight
