

I'm Sorry For You My Friend

Moe Bandy

You'd known so long that you were wrong
But still you had your way
You told her lies and alibies
And hurt her more each dayBut now your conscience bothers you
You've reached your journey's end
You're asking me for sympathy
I'm sorry for you, my friendYou laughed inside each time she cried
You tried to make her blue
She tugged along through right and wrong
Because she worshiped youYou know that you're the one to blame
There's no use to pretend
Today's the day you start to pay
I'm sorry for you, my friendToday as she walked arm in arm
At someone else's side
It made you stop and realize
That time has turned the tideYou should have known, you'd be alone
'Cause cheaters never win
You tried and lost, now pay the cost
I'm sorry for you, my friend
