Knowledge (Operation Ivy)

Evergreen Terrace

I know that things are getting tougher
when you cant get top off from the bottom of the barrel
wide open road of my future now...
its looking fucking narrow
All I know is that I dont know nothing
we get told to decide
just like as if im not gonna change my mind
all I know is that I dont know nothing
whatcha gonna do with yourself
boy better make up your mind
whatcha gonna do with yourself boy
you're running out of time
this time I got it all figured out
all I know is that I dont know nothing...
and thats fine
