

# Knowledge (Operation Ivy)

## Evergreen Terrace

I know that things are getting tougher  
when you cant get top off from the bottom of the barrel  
wide open road of my future now...  
its looking fucking narrow  
All I know is that I dont know nothing  
we get told to decide  
just like as if im not gonna change my mind  
all I know is that I dont know nothing  
whatcha gonna do with yourself  
boy better make up your mind  
whatcha gonna do with yourself boy  
you're running out of time  
this time I got it all figured out  
all I know is that I dont know nothing...  
and thats fine
