

Love Me

Morandi

Chorus:

Love me, cause inside I'm slowly dying
Call me, don't you know that my heart is crying

Look into my eyes, you will find sadness and loneliness
Just look inside my soul, I'm feeling so empty, empty...

Chorus:

Love me, cause inside I'm slowly dying
Call me, don't you know that my heart is crying (2)

Look into my eyes, you will find sadness and loneliness
Just look inside my soul, I'm feeling so empty, empty...
