

Higher Than the World

Van Morrison

Well I'm higher than the world
And I'm livin' in my dreams
I'll make it better than it seems
Today And I'm higher than a cloud
And I'm living in the sound
I'll make it better than it seems
Today Higher than the world
But my head is in a swirl
I gotta give a life a whirl
Today Higher than the clouds
Wrapped up in the sound
I'll make it better all around
Today Higher than the world
But my head is in a swirl
I gotta give a life a whirl
Today Higher in my mind
I'm going leave these blues behind
And I'll find what I find
Today Cause I'm higher than the world
And I'm wrapped up in my dreams
I'll make it better than it seems
Today Yes, I'm higher than the world
And I'm livin' in my mind
I got to hold on to what I find
Today Just a little bit higher
Little bit higher
