

Caffeine and Nicotine

Popa Chubby

Caffeine and nicotine
rolling right around my brain x2
if don't stop smoking
 'm gonna die
another cup of coffee
 and 'll kiss the sky
caffeine and nicotine
rollin right around my brain
Tell me tell me why
 I don't feel right
I ain't slept in 20 days
 or 20 nights
another cup of coffee
gimme a big set of titties
 and a fat cigar
caffeine and nicotine
rollin right around my brain
I can't put it down
 for goodness sake
my knees they get so weak
 my legs do ache
so let's get going
 just one more time
light me up pour me up
 and I'll feel fine
caffeine and nicotine
Rollin right around my brain
