

Hey

Jurassic 5

Scorpio, Cancer, Leo, Taurus, Sagittarius
Hey, hey, heyNow, if there's a party theres about to be
Then let me start queuing up the frequency
Six members, fresh spinners, we make the fly ladies say
Hey, heyThe Shak-Zulu shot a rhyme right through you
Now your don't want static with my crew now, do you?
C.A. all day, we make the party people say
Hey, heyCheck it, regardless what you heard this year
The party atmosphere is only crackin' right here
And uh, we givin' you the theme that ya want
Cha come clean if ya want, know what I mean
If ya don't becauseWe just wanna get you out
To the party everybody's talkin' 'boutAnd you don't have to worry 'bout a fee
Ya see, it's all vi-a-vi
Because you're rollin' with me and uhWe just wanna get you out
To the party everybody's talkin' 'bout rollingYo, we thought we'd come a little different
Somethin' unscripted push up our percentage
Rip it like we meant it vintage verses
Sentence word smith here with no delayRelax and don't decay
Turn to the DJ
He can make ya people say
Hey, heyYeah, yeah, party people in the place to be
It's all live 'cause the party is packed
(No straps, just raps)
Sweat drippin' ain't nobody set trippin'All the ladies testifyin' to that
Hey, hey
Ay yo, I'm feelin' the vibe
Take you on a natural high
Boogie wonderland 'cause we gonna party tonight, yo'Cause we just wanna party wit' you
Hey, hey
Open up your mind and let the vibe flow through
(Uh)
'Cause you don't have to worry 'bout a thing
Let the rhythm heal your brain
While the party people sing
(Hey)Yo, the more you offer, displayin' your inner visions
Oral officers will be freein' your inhibitions
So skip an intermission and suddenly parlay
'Cause movers are hot pumpin' in butter from parkwayYou wonderin' what that prehistoric force is

Make you scream
Hey, hey
Like a herd of hungry horses
Yes, the music you approached me with was inappropriate
Cause me and my associates are closely knit shit
The main course on the menu for today say
Hey, hey
(Talking in background)
Hey, hey
Now if there's a party for the gangstas here
The DJ's spinnin' records you don't wanna here
To have it your way
Participate and make him play
Hey, hey
I represent it, get wit it for the hood
The lights is turned low and the mood is all good
Whether you parlay or on the dance floor say
Hey, hey
Regardless what you heard this year
The party atmosphere is only crackin' right here
And uh, we givin' you the theme that ya want
Cha come clean if ya want, know what I mean
If ya don't because
We just wanna get you out
To the party everybody's talkin' 'bout Chas
And you don't have to worry it's enough
No guest lists and stuff because you're rollin' with us
Now if there's a party there's about to be
Then let me start queuing up the frequency
Six members fresh spinners
We make the fly ladies say
Hey, hey
C'mon, the Shak-Zulu shot a rhyme right through you
Now you don't want static with my crew now, do you?
C.A. all day, to make the party people say
Hey, hey
Hey, hey, hey
Hey, hey
And all round you people are screaming
Nation tan, nation tan, nation tan, nation tan
Shit, here it come again, here it come again
Here it come again, here it come again
Here it come again
