You Got A Way

Kris Allen

I know...
That I'm goin' away
But I'll be back soon
There's things I gotta do
So don't you even dare
Give me that "come back" stare
Cuz you know I'm not that strong
Need to say good-bye
But every time I try
Something you do
Pulls me back into you
So tell the driver please
That I'm not gonna need
His services tonight, no
Cuz you got a way
Of making me stay
You got my heart in your hands
You got a way
Of saying my name
That I can't resist
You got a way

With me
No matter how I try
I just can't say good-bye
When I see that smile
It makes me stay for a while
So we're not gonna leave
Until the autumn trees
Turn from red to winter gray
(yes that's what I say)
You got a way
Of making me stay
You got my heart in your hands
yaehhhh
And you got a way
Of saying my name
That I can't resist
You got a way

With me
No I can't resist
You got a way
With me
