

Be My Baby

Joi Cardwell

Do itBe my baby
Be my baby
Be my babyIn my life
Thought it was a lie
That people fell in love
Whenever I tried couldnt realize
The fuss that was going on
Out of the blue
The truth
Came like a thief in the night
Oh my
They were right
Now Im looking for a homeSo dont you want to be my baby
Without your love I could go
Crazy
Dont you want to take a chance with me
Within one night ill change your mind
Take a chance see what youll find
I would lead to your every fantasy
Oh yes Be my babyBe my baby
Be my baby
Be my baby
Be my babySomethings changed
the way I feel
And its better than before
I dont even know if youre for real
Or a dream Im having a lone
Let me kiss you once hold you twice
Dance with you ll night
Catch your breath feel your caress
Until all doubt is goneSo dont you want to be my baby
Without your love I could go
Crazy
Dont you want to take a chance with me
Within one night ill change your mind
Take a chance see what youll find
I could lead to your every fantasy
Oh yes be my babyBe my baby
Be my baby

Be my baby
Be my babyDo do do do do do
Do it
BE my BabyRepeat
