

# Juice

## Lady Leshurr

Ah, yup!  
Aha, Leash! (Sky)  
I got the juice  
I got the juice (oh yeah)  
Yeah, I got the juice (oh yeah)  
They want take the juice (oh yeah) Look, it's a sad day  
They're behind like a last name  
They ain't got the bottle no champagne  
Swerve on a hater, fast lane  
Get smoked, no ashtray  
Back at it again, back ache  
It's going down, sad face  
Them gyal are bitter, bad taste  
With your bad breath  
Don't take shots like a cam lens  
Old school, way back when  
Killed everything, past tense  
So just move for me  
A couple gyal are trying to take the juice from me  
'Cause I got the juice I got the juice, yeah  
You're only ever gonna see a deuce from me  
I'm like hold up wait why you hating?  
I can smell the hater by the fragrance  
They don't wanna see me elevating  
All wanna talk but wait 'Cause I got the juice  
The juice  
Yeah, I got the juice  
The juice, oh yeah, oh lord  
The juice (yeah)  
They want take the juice (yeah)  
They can't have the juice (yeah)  
'Cause me have the juice (yeah)  
Yeah, I got it, yeah, I got it  
I'ma do it big like your pregnant forehead  
iPhone 6 head going on extra horrid  
What you telling me? What you telling me?  
Juice everywhere so you're smelling me  
You went funny Bill Bellamy  
Never take an L but there's always an L in me

Brr, brr, they call me up  
Them gyal are sketchy, draw me up  
Always stay tripping, tour the bus  
I got so much juice baby, pour me up  
I'm like hold up wait why you hating?  
I can smell a hater by the fragrance  
They don't wanna see me elevating  
All wanna talk but wait'Cause I got the juice (woo)  
The juice (yeah)  
Yeah, I got the juice (I got the juice)  
The juice, oh yeah, oh lord  
The juice (I got the juice)  
I got the juice (you got the juice)  
They all want the juice (all want the juice)  
But me got the juice, oh yeah, oh lord I got the J-U-I-C-E  
I got the J-U-I-C, I got the  
I got the J-U-I-C-E  
I got the J-U-I-C, I got the  
I got the J-U-I-C-E  
And my flow's cold like I-C-E  
I got the J-U-I-C-E  
And my flow's cold like I-C-E  
Juicy, juicy, juicy  
Yeah, I got the juicy, juicy, juicy  
I got the juicy, juicy, juicy  
Yeah, I got the juicy, juicy  
I got the juicy, juicy, juicy  
Yeah, I got the juicy, juicy, juicy  
Them gyal are moody, moody, moody  
They make a scene like a movie, movie, movie  
I got the juicy, juicy, juicy  
Yeah, I got the juicy, juicy, juicy  
Them gyal are moody, moody, moody  
They make a scene like a movie, movie, movie  
'Cause I got the juice The juice  
The juice  
The juice  
The juice  
The juice  
The juice  
They know I got the juice  
It's peak for them!
