

# Call Your Girlfriend

Robyn

Call your girlfriend, i think it's time you talked  
Give your reasons, say it's not her fault  
But you just met somebody new Tell her not to get upset  
Second guessing everything, you said and done  
And then when she gets upset tell her  
How you never meant to hurt no one Then you tell her that the only way her heart will mend  
Is when she learns to love again  
And it won't make sense right now  
But you're still her friend  
and then you let her down easy Call your girlfriend, it's time you talk  
Give your reasons, say it's not her fault  
But you just met somebody new Don't you tell her how I give you something  
That you never even knew you missed  
Don't you even try and explain  
How it's so different when we kiss You tell her that the only way her heart will mend  
Is when she learns to love again  
And it won't make sense right now  
But you're still her friend and then you let her down easy Call your girlfriend, it's time you had the talk  
Give your reasons, say it's not her fault  
But you just met somebody new  
And now it's gonna be me and you And you tell her that the only way her heart will mend  
Is when she learns to love again  
And it won't make sense right now  
But you're still her friend and then you let her down easy Call your girlfriend, it's time you had the talk  
Give your reasons, say it's not her fault Call your girlfriend, it's time you had the talk  
Give your reasons, say it's not her fault  
But you just met somebody new
