

Last Thing On My Mind

Steps

There was something in your voice
That was telling me don't be too sure
Arousing my suspicions, I have never felt before
I thought we had it made, I thought you'd never go away But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind When I looked into your eyes
There was something you weren't telling me
But in my confusion, I just couldn't see
If there was any doubt, I thought that we would work it out But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind There was something in your voice
That was telling me don't be too sure
Arousing my suspicions, I have never felt before
I thought we had it made, I thought you'd never go away But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind But now you're suddenly like a stranger
And you're leaving our love behind
Of all the things I was ever planning for
This was the last thing on my mind
