Last Thing On My Mind

Steps

There was something in your voice

That was telling me don't be too sure

Arousing my suspicions, I have never felt before

I thought we had it made, I thought you'd never go awayBut now you're suddenly like a stranger

And you're leaving our love behind

Of all the things I was ever planning for

This was the last thing on my mindWhen I looked into your eyes

There was something you weren't telling me

But in my confusion, I just couldn't see

If there was any doubt, I thought that we would work it outBut now you're suddenly like a stranger

And you're leaving our love behind

Of all the things I was ever planning for

This was the last thing on my mindThere was something in your voice

That was telling me don't be too sure

Arousing my suspicions, I have never felt before

I thought we had it made, I thought you'd never go awayBut now you're suddenly like a stranger

And you're leaving our love behind

Of all the things I was ever planning for

This was the last thing on my mindBut now you're suddenly like a stranger

And you're leaving our love behind

Of all the things I was ever planning for

This was the last thing on my mind
