Sane

Jackie Evancho

It's like water dripping down
Words are oozing from my mouth
Spashing aginst the hard wood floors
The wind is soaring through the doors
Thoughts are crashing all around
Spilling venom on the ground
As I hide behind the curtain
Of this unforgiven burdenI'm insane
No, I'm not I'm just in pain
It's not me
This world is crazy
And I gotta get out
I've gotta get outChain me up and hold me tight
Keep me down with all your might
'Cause I'm going down tonight
I will drain all of this light
But I'm not what I may seem
This is all just one bad dream
Please believe in what I scream
I'm not insane my thoughts are clean
I'm not insane my thoughts are cleanStop
BreatheI'm rambling on like tumbling stones
Thoughts racing through my every bone
Probably because I'm out of sleep
It has to be it has to be
These visions lurking in my mind
Are saturated in some kind
Of ink disease that's in my veins
No medicine will clam these painsIs there a place
Where I can go and feel safe?
'Cause my head's like
A pit of dark torn up mistakes
And I gotta get out
I gotta get outChain me up and hold me tight
Keep me down with all your might
'Cause I'm going down tonight
I will drain all of this light
But I'm not what I may seem
This is all just one bad dream

Please believe in what I scream
I'm not insane my thoughts are cleanGrap my hand and pull me out
I can't be loosing it now
Careful when I drag you in
You'll lose yourself somehowChain me up and hold me tight
Keep me down with all your might
'Cause I'm going down tonight
I will drain all of this light
Chain me up and hold me tight
Keep me down with all your might
'Cause I'm going down tonight
I will drain all of this light
But I'm not what I may seem
This is all just one bad dream
Please believe in what I scream
I'm not insane my thoughts are clean
I'm not insane my thoughts are clean
