

# Glitter In The Air

Pink

Have you ever felt a lover with just your hands?  
Close your eyes and trust it, just trust it  
Have you ever thrown a fist full of glitter in the air?  
Have you ever looked fear in the face and said I just don't care?  
It's only half past the point of no return  
The tip of the iceberg, the sun before the burn  
The thunder before the lightning, and the breath before the phrase  
Have you ever felt this way?  
Have you ever hated yourself for staring at the phone?  
Your whole life waiting on the ring to prove you're not alone  
Have you ever been touched so gently you had to cry?  
Have you ever invited a stranger to come inside?  
It's only half past the point of oblivion  
The hourglass on the table, the walk before the run  
The breath before the kiss and the fear before the flames  
Have you ever felt this way?  
La, la, la, la, la, la, la, la  
There you are, sitting in the garden  
Clutching my coffee, calling me sugar  
You called me sugar  
No no no no no  
Have you ever wished for an endless night?  
Lassoed the moon and the stars and pulled that rope tight  
Have you ever held your breath and asked yourself  
Will it ever get better than tonight? Tonight
