You Don't Know

Katelyn Tarver

I know you've got the best intentions
Just trying to find the right words to say
Promise I've already learned my lesson
But right now I wanna be not okay
So tight sitting here waiting
If I hear one more "Just be patient"
It's always gonna stay the same
So let me just give up
So let me just let go
If this isn't good for me
Well I don't wanna know
Let me just stop trying
Let just stop fighting
I don't want your good advice
Or reasons why I'm alright
You don't know what it's like
You don't know what it's like
Can't stop this me from sinking
And starting a show on me
You're staring while I'm blinking
But just don't tell me what you see
I'm so over all this bad luck
Hearing one more "Keep your head up"
Is it ever gonna change?
So let me just give up
So let me just let go
If this isn't good for me
Well I don't wanna know
Let me just stop trying
Let just stop fighting
I don't want your good advice
Or reasons why I'm alright
You don't know what it's like
You don't know what it's like
Don't look at me like that
Just like you understand
Don't try to pull me back
Let me just give up
Let me just let go

If this isn't good for me
Well I don't wanna know
Let me just stop trying
Let just stop fighting
I don't want your good advice
Or reasons why I'm alright
You don't know what it's like
You don't know what it's like
You don't know
You don't know
You don't know
You don't know what it's like
You don't know what it's like
You don't know
You don't know
You don't know what it's like
You don't know what it's like
