Turn Ya Head

Heidi Montag

Verse 1:
Something about you just got me crazy and wild.
Can?t describe what I?m feeling but yes I like what I see in ya, babe.
I just wonder why you?re staring around.
Got your eyes on the ceiling, as if the wallpapers peeling, babe.
Pre Chorus:
I bet you that I know just what to do,
To make you come my way.
I?m sure you?re blood is pumping when I move,
When you say,
In your dreams,
I?m the bitch,
That you don?t wanna miss.
Chorus:
So, turn ya head,
Fix your eyes on this, ain?t nothing like a show.
Turn ya head,
Keep the dance floor lit.
Ain?t nothing like a show.
Loves an exhibition,
So let me put you in the light
I?m gonna start a mission,
To take you home with me tonight.
Verse 2:
Get stereo pumping
Cause we?re taking it down.
If you?re hungry for pleasure,
I can serve you a measure, babe.
Serenade me while I?m surfing the crowd
Got my eyes on the ceiling;
Hahh hahh
Heavy breathing, babe.
Pre Chorus:
I bet you that I know just what to do,
To make you come my way.
I?m sure you?re blood is pumping when I move,
When you say,
In your dreams,
I?m the bitch,

That you don?t wanna miss.
Chorus:

So, turn ya head,
Fix your eyes on this, ain?t nothing like a show.
Turn ya head,
Keep the dance floor lit.
Ain?t nothing like a show.
Loves an exhibition,
So let me put you in the light
I?m gonna start a mission,
To take you home with me tonight.
Bridge:
Come watch me
I love it when your eyes are on me.
This closely,
And let me tell you I won?t give up.
Till you love me-
Got me losing my mind, got me losing my head,
Now I?m stuck and there?s no escaping.
All I need is your heart, all I need is your head,
Can?t you see that I?m done with waiting?
So turn ya head,
Baby, just turn ya head,
Baby-
Chorus:
So, turn ya head,
Fix your eyes on this, ain?t nothing like a show.
Turn ya head,
Keep the dance floor lit.
Ain?t nothing like a show.
Loves an exhibition,
So let me put you in the light
I?m gonna start a mission,
To take you home with me tonight.
Loves an exhibition,
So let me put you in the light
I?m gonna start a mission,
To take you home with me tonight.
So, turn ya head.
