## Manuel De La Mare

I'm rich like a hot noise, rich, rich, rich  
I'll take you out boy  
So stuck up, I'd wish you'd stick in to me  
Flesh ripped off  
Turnin' it, beatin' no beat  
The walls are always speakin'  
No want, no want  
No want, no speakin' at all  
She slipped down a rot drink unzipped  
She doesn't exist so unloved  
I took 'em standin' up  
So stuck up  
I'm rich like a hot noise, rich, rich, rich  
I'll take you out boy, I'll take you out boy  
Turnin' it, beatin' no beat  
The walls are always speakin'  
No want, no want  
No want, no speakin' at all  
Turnin' it, beatin' no beat  
The walls are always speakin'  
No want, no want  
No want, no speakin' at all  
Rich  
Rich  
Rich
