

# Keep It Hid

[Dan Auerbach](#)

Lock the door and close the blinds  
Theyre coming for me girl and I aint got time  
If they ask you, darlin, oh about what I did  
Baby you gotta keep it hid  
Im heading south, and I cant say where  
But Ill phone you baby soon as I get there  
Theyre not gonna seal my coffin lid  
Cause youre gonna keep it hid  
(Bridge)  
Well Big Sue knew but she dont no more  
If you know what I mean  
Theyll never find what theyre looking for  
Cause youre my tight-lipped queen  
Ill buy you a dress, a nice handmade piece  
And send your Mom on a vacation to Greece  
If youre an auction, oh Im the highest bid  
Oh baby, cause youre gonna keep it hid
