Baby Scratch My Back

Slim Harpo

Aww, I'm itchy, and I don't know where to scratch
Come here baby, scratch my back
I know you can do it, so baby get to it

Aww,you're workin with it now
You got me feelin' so good
just look to the sun now baby
ummmmm...

This little girl sho' knows how'd scratch
Now, you're doin' the chicken scratch
Aww, its lookin' good baby
Just gettin' scratch
That's what I'm talkin' bout
