

# Just A Phase

## Incubus

I am bottled, fizzy water, and you are shaking me up  
You are a fingernail, runnin' down the chalkboard  
I thought I left in third grade  
Now my only, consolation, is that this could not last forever  
Even though you're singin' and thinkin'  
How well you've got it made  
Who are you?  
When will you be through?  
Yeah, it's just a phase, it will be over soon  
Yeah, it's just a phase  
Yeah, it's just a  
Call it women's intuition but I think I'm on to something here  
Temporaryism has been the black plague  
And the Jesus of our age  
I know that I sound opinionated, maybe biased  
And quite possibly jaded  
But sooner than later  
They'll be throwin' quarters at you on stage  
Who are you?  
When will you be through?  
Yeah, it's just a phase, it will be over soon  
Yeah, it's just a phase  
And I'm waiting for it to be over soon, yeah  
Oh yeah, oh yeah  
Oh yeah, oh yeah  
Oh yeah, oh yeah  
Ooh, ooh
