

I'm A Rhino

Jibbs

You a gold digging, I ain't messin' wit
'Cause I'm a rhino, I'm a rhino
And I ain't no, you can go find yo
And tryin' those, and sign no
Go? on and throw the digits or I ain't messin' with no
'Cause I'm a rhino, I'm a rhino
And I ain't no to go find no
And tryin' those and sign no
Ah, my name is Jibbs but they call me mighty trump
The kid down a house with an outer space flow
Stay waved up, poking madden with a flow
Jag chillin' in the back with girls holla at a chump
Who you know gotta sea with a 3 in double beat
I write my own stuff never will I need a ghost
Spit so cold that you prolly need a coat
And I keep bread 'til I bring about a house
Clownin' on stage but Jibbs is no hoe
Lil? Lewis got ?em hangin' from a rope
All my diamonds real, no gold or glass coat
If you all washed up, don?t drop the soap
Beastaz the music don?t bang that low
It bring ya feet where you can?t feel yo toes
And I'm the hottest, come on keep it on the low
And they mad 'cause I riot and I fly like a crow
You a gold digging, I ain't messin' wit
'Cause I'm a rhino, I'm a rhino
And I ain't no, you can go find yo
And tryin' those, and sign no
Go? on and throw the digits or I ain't messin' with no
'Cause I'm a rhino, I'm a rhino
And I ain't no to go find no
And tryin' those and sign no
Spit one?s rhymes one to me is like fire
That?s because I gotta spread around like a high
Jibbs and the whole lil' lewis is a try
And we keep goin' higher 'til we see ourselves fly
Spit punch lines, we hit you in ya ear
When I'm at a concert girls be drawin' tears
Move ?em in the dark no havin' no fears

And callin' me a space ship the way I'm switchin' gears
If you a gold digger, I'm platinum plus
Diamond out bizzle, don't let the platinum rust
Boy perfect timing but I ain't gon' speak with glocks

All up in your speakers, they call me speaker box
You a gold digging, I ain't messin' wit
'Cause I'm a rhino, I'm a rhino
And I ain't no, you can go find yo
And tryin' those, and sign no
Go? on and throw the digits or I ain't messin' with no
'Cause I'm a rhino, I'm a rhino
And I ain't no to go find no
And tryin' those and sign no

People when I see themselves, that Gibbs is a beast
One of me is like 5, so move more than 3
Back for I gotta make my money increase
And 5 is the reason why they lock my the key
So if you ain't throwin' then you need to catch a chorus
Keep switchin' timbs, keep trees like a forest
Deal with the rhymes like my sign is a Taurus
And I'm all about mine, you can keep mindin' yours
Now speak for yourself, I'ma keep goin' high
I'm so above average I don't think you wanna try
I'ma tell the truth that I don't have to lie
And I'm beastin' my peer I don't think you wanna try
You can mess with Gibbs, man, I think you won't know

'Cause this rap thing, I been doin long
So you need to sit down with the thing
'Cause I'ma just make your head spin
You a gold digging, I ain't messin' wit
'Cause I'm a rhino, I'm a rhino
And I ain't no, you can go find yo
And tryin' those, and sign no
Go? on and throw the digits or I ain't messin' with no
'Cause I'm a rhino, I'm a rhino
And I ain't no to go find no
And tryin' those and sign no
You a gold digging, I ain't messin' wit
'Cause I'm a rhino, I'm a rhino
And I ain't no, you can go find yo
And tryin' those, and sign no
Go? on and throw the digits or I ain't messin' with no
'Cause I'm a rhino, I'm a rhino
And I ain't no to go find no

And tryin' those and sign no
